

The Edison Light bulb

Edition #2

Edison Elementary, Eugene, Oregon

March 2009

KIDS NIGHT OUT

Kids Night Out is where parents drop their kids off to play and have fun. If you sign up for eScrip, it's free!
Story & photos by Yunis L., 4th grade

These are some of the puppets that all the kids at Edison made, with help from Karen.

PROJECT FAIR

by Noah J-V., and Tyler M., 4th grade

This is one of the many cool projects from the Project Fair. This is a Star Wars® project/Indiana Jones made by Mason King in 3rd grade. This project includes Legos® and a movie.

There were about 90 great projects on topics like Legos®, magnetic fields, animals, and a whole lot more!!!!
